

BULLDOG QB

MEDIUM TO HEAVY DUTY DEGREASER/DETERGENT

DESCRIPTION

BULLDOG QB is a medium to heavy duty degreaser/detergent with quick properties.

APPLICATIONS

Developed for the heavy and light duty mining industry. Bulldog QB will remove dirt, road grime and coal dust as well as light to medium grease and diesel stain from most equipment, trucks, buses and tractors. May be used via a pressure washer or sprayed on and rinsed off. Non-streaking formulation and quick break technology.

TECHNICAL DATA

FORM: Liquid
COLOUR: Fluorescent Yellow/Gold
DETERGENCY: Excellent
TOXICITY: Non toxic
WETTING ABILITY: Excellent
STORAGE ABILITY: 2 Years
EVAPORATION RATE: Slow
PHOSPHATES: Yes

ODOUR: Sweet
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.0
% VOLATILE BY VOLUME: Non Volatile
pH: 8.5-9
COLD STABILITY: Stable
BIODEGRADABILITY: Yes

DIRECTIONS FOR USE

BULLDOG QB is to be used like all water based degreaser/detergents.

Pressure washers provide high foam and great rinsability.

Broom or sponge **BULLDOG QB** for best results.

Pressure washing of 2500 psi recommended to remove all residues.

Low pH will prevent damage to paint and glass.

An ideal all round multi-purpose product.
