

HOT STUFF

CAUSTIC HEAVY DUTY CLEANER/DETERGENT

DESCRIPTION

HOT STUFF is a highly concentrated caustic degreaser. It is ideal for removing stubborn stains, baked-on grease, old and flaky paint, grime etc. **HOT STUFF** is very effective when used as a pre paint degreaser for truck chassis, wheel arches, industrial machinery, cane harvesters, tractors etc.

DO NOT use **HOT STUFF** on good quality paint as this product may cause streaking.

APPLICATIONS

Spray Paint Shop, Industrial Plant, Sandblasting Operations and Sugar Cane Industry.

TECHNICAL DATA

FORM: Liquid	FLASH POINT: Not combustible
