PRODUCT NAME: **TRUCK & WAX**
TRADE NAME: Truck & Wax
USE: Vehicle Cleaning/Trucks
UN No.: N/A
HAZCHEM CODE: N/A

TRUCK & WAX is a concentrated biodegradable liquid detergent which effectively removes dirt, mud, oil and road grime from all vehicle surfaces.

DIRECTIONS: Dilute 1 part with 5 parts clean water for use on engines, chassis, tyres, truck trays etc. Dilute 1 part with 10-15 parts clean water for cars, truck cabs and paintwork. Apply preferably by low pressure spray. Let it penetrate for 3/5 minutes. May be allowed to dry then hose or pressure rinse with clean water starting from the bottom and working in an upwards direction.

Yellow/Gold viscous liquid with very little odour.

INGREDIENTS

Chemical Entity	Proportion
Detergent Concentrate	<20%
